
What You'll Learn in This Book

The hidden forces that have been manipulating the global economy for decades

How the global economic system is rigged in favor of the wealthy and powerful

How the global financial crisis was engineered

A roadmap for fixing the global economy and creating a more just and sustainable world

Who This Book Is For

This book is for anyone who wants to understand the hidden forces that are shaping the global economy and how to create a more just and sustainable world.

If you're concerned about the rising levels of inequality and poverty around the world, if you're worried about the environmental crisis, or if you simply want to understand the complex world we live in, then this book is for you.

Praise for An Economic Hit Man Reveals Why the Global Economy Imploded and How to Fix It

"An essential read for anyone who wants to understand the real causes of the global economic crisis and the steps we need to take to create a more just and sustainable world." - **Noam Chomsky**

"John Perkins has written a powerful and deeply disturbing book that exposes the hidden forces that have been manipulating the global economy for decades. This is a must-read for anyone who wants to understand the world we live in and the challenges we face." - **Robert F. Kennedy Jr.**

"An Economic Hit Man Reveals Why the Global Economy Imploded and How to Fix It is a wake-up call for anyone who cares about the future of our planet. Perkins' firsthand account of the machinations of the global economic system is both shocking and inspiring. This book is a must-read for anyone who wants to create a more just and sustainable world." - **Marianne Williamson**

About the Author

John Perkins is an international bestselling author, economist, and activist. He has written several books on the global economic system, including Confessions of an Economic Hit Man, The Secret History of the American Empire, and The New Confessions of an Economic Hit Man. Perkins has also worked as an advisor to the World Bank and the United Nations.
