The interviews in And Other Conversations were conducted by the late David Frost, one of the most respected interviewers of all time. Frost's skill at getting his subjects to open up and share their innermost thoughts is evident throughout the book. The result is a series of conversations that are both intimate and revealing.

The subjects of the interviews in *And Other Conversations* include a wide range of figures from the worlds of politics, business, entertainment, and the arts. Among those interviewed are former presidents Jimmy Carter and George H.W. Bush, former Secretary of State Henry Kissinger, business magnate Warren Buffett, media mogul Rupert Murdoch, and actors Katharine Hepburn and Marlon Brando.

The conversations in *And Other Conversations* cover a wide range of topics, from the personal to the political. The subjects discuss their childhoods, their careers, their marriages, their children, and their hopes and dreams for the future. They also share their thoughts on the major issues of the day, such as war, poverty, and climate change.

*And Other Conversations* is a fascinating and inspiring book that offers a unique glimpse into the minds of some of the most influential figures of our time. These conversations provide valuable insights into their lives, work, and the world around us. They are a must-read for anyone who wants to understand the world we live in.

### **Here are some of the highlights from the interviews in *And Other Conversations*:**

- Former President Jimmy Carter discusses his faith, his work on behalf of the poor, and his hopes for the future.
- Former President George H.W. Bush reflects on his life and career, including his service as president during the Gulf War.
- Former Secretary of State Henry Kissinger offers his insights on the world of diplomacy and the challenges of international relations.

- Business magnate Warren Buffett shares his secrets for success in business and investing.
- Media mogul Rupert Murdoch discusses the future of the media industry and the challenges facing journalism.
- Actor Katharine Hepburn talks about her life and career, including her relationships with Spencer Tracy and John Wayne.
- Actor Marlon Brando reflects on his life and career, including his struggles with addiction and his work as an activist.

And Other Conversations is a book that will stay with you long after you finish reading it. The conversations in this book are a reminder that we are all connected, and that we can all make a difference in the world. This is a book that will inspire you, challenge you, and make you think about the world in a new way.
