The Story

Dr. Stone Vol. 16: Medusa vs. Science picks up where the previous volume left off, with the Kingdom of Science on the brink of collapse. Medusa has turned most of the world's population to stone, and Senku and his allies are struggling to survive. However, Senku is not one to give up easily. He knows that Medusa's power is based on science, and he believes that he can use science to defeat her.

Senku and his allies set out on a journey to find a way to reverse Medusa's petrification beam. Along the way, they encounter new allies and enemies, and they learn more about Medusa's past. As they get closer to Medusa's lair, the stakes get higher and the battle lines are drawn.

The climax of Dr. Stone Vol. 16: Medusa vs. Science is an epic battle between Senku and Medusa. It's a battle of wits and brawn, and the fate of humanity hangs in the balance. Who will win? Senku and his allies, or Medusa and her army of stone statues?

The Characters

Dr. Stone Vol. 16: Medusa vs. Science features a cast of well-developed and relatable characters. Senku is the main protagonist of the series, and he's a brilliant scientist who is determined to save humanity from Medusa's petrification beam. He's a resourceful and determined leader, and he's always willing to put himself in danger to protect his friends.

Taiju Oki is Senku's best friend, and he's a strong and loyal ally. He's not as smart as Senku, but he's always willing to fight for what's right. Yuzuriha Ogawa is Senku's childhood friend, and she's a skilled archer. She's a kind and compassionate person, and she's always there to help her friends.

These are just a few of the many characters that appear in Dr. Stone Vol. 16: Medusa vs. Science. Each character has their own unique personality and motivations, and they all play an important role in the story.
