Determined to win Mrs. Silver's heart, Mr. Hoppy seeks the help of an eccentric wizard who gives him a magic spell. According to the wizard, if Mr. Hoppy recites the spell while holding Alfie, the tortoise will magically grow larger with each repetition.

A Snail-Paced Courtship

With newfound hope, Mr. Hoppy embarks on a mission to increase Alfie's size, much to Mrs. Silver's amusement. As days turn into weeks, Alfie

gradually becomes bigger and bigger, transforming from a tiny creature into a colossal snail that commands attention wherever it goes.

However, Mr. Hoppy's plan has an unexpected side effect. As Alfie grows in size, so does his appetite, and Mrs. Silver finds herself struggling to keep up with the insatiable snail's voracious consumption of lettuce.

Amidst the laughter and chaos, Mr. Hoppy's persistent love for Mrs. Silver shines through. He remains by her side, providing support and assistance, gradually melting away her initial resistance.
