Bill Browder's Freezing Free Download is a gripping account of his battle against Vladimir Putin and the Russian government after his lawyer, Sergei Magnitsky, was murdered in a Moscow prison. The book is a must-read for anyone interested in Russian politics, human rights, or the fight against corruption.

The Magnitsky Case

In 2007, Browder's lawyer, Sergei Magnitsky, uncovered a massive tax fraud scheme involving Russian government officials. Magnitsky was arrested and charged with tax evasion, and he was eventually beaten to death in prison. Browder believes that Magnitsky was killed because he

knew too much about the corruption at the highest levels of the Russian government.

Browder has spent the years since Magnitsky's death campaigning for justice. He has lobbied governments around the world to pass laws that would freeze the assets of Russian officials involved in human rights abuses. In 2012, the United States passed the Magnitsky Act, which has been used to sanction dozens of Russian officials.

Freezing Free Download

In *Freezing Free Download*, Browder tells the story of his fight for justice for Magnitsky. He describes the corruption and brutality of the Russian government, and he recounts the threats and intimidation that he has faced from Putin's regime. The book is a powerful indictment of the Russian government, and it is a must-read for anyone who wants to understand the fight against corruption.

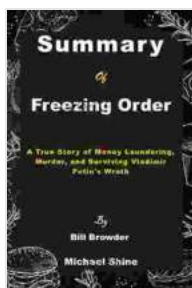

Praise for Freezing Free Download

"Freezing Free Download is a gripping account of Bill Browder's battle against Vladimir Putin and the Russian government. Browder's story is a powerful reminder of the importance of fighting for justice, even when the odds are stacked against you."—Madeleine Albright, former U.S. Secretary of State

"Freezing Free Download is a must-read for anyone interested in Russian politics, human rights, or the fight against corruption. Browder's story is a powerful indictment of the Russian government, and it is a reminder of the importance of standing up to tyranny."—Garry Kasparov, former world chess champion

About the Author

Bill Browder is a British-American financier and human rights activist. He is the founder and CEO of Hermitage Capital Management, an investment fund that was once one of the largest foreign investors in Russia. Browder has been a vocal critic of the Russian government, and he has been targeted by Putin's regime for his activism. He is the author of the book *Red Notice*, which tells the story of his fight against the Russian government.
