When a young woman is found dead in her apartment, Detective Michael Bennett is called to investigate. The victim, Sarah Jones, was a brilliant law student with a promising future. But as Bennett digs deeper into the case, he discovers that there is more to Sarah's death than meets the eye.

Sarah was working on a high-profile case involving a powerful pharmaceutical company. And as Bennett investigates, he begins to suspect that Sarah's death may be connected to her work. With the help of Sarah's best friend, a fellow law student named Emily Carter, Bennett uncovers a web of lies and corruption that reaches the highest levels of power.

As Bennett and Emily get closer to the truth, they become targets themselves. They are threatened, harassed, and even attacked. But they refuse to give up. They know that Sarah's death was not an accident, and they are determined to find out who is responsible.
