In Francesca Simon's latest installment of the beloved Horrid Henry series, our young anti-hero finds himself in the midst of the festive season. But as we all know, Henry isn't one for tradition or good behavior. So, naturally, he has a plan to turn Christmas upside down!

From the moment Henry wakes up on Christmas morning, chaos ensues. He terrorizes his little brother Perfect Peter, exchanges the family presents with ridiculous gag gifts, and even tries to hide the Christmas turkey! But Henry's not the only one determined to make this Christmas unforgettable.

Henry's nemesis, Moody Margaret, is equally determined to out-prank him. The two of them embark on a hilarious battle of wits, leaving a trail of

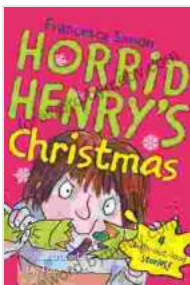

laughter in their wake. As the snow falls and the Christmas lights twinkle, Henry and Margaret's pranks reach new heights of absurdity.

But beneath all the mischief, Horrid Henry Christmas is a heartwarming tale about the importance of family, friendship, and the true spirit of the season. Henry may not always be the perfect child, but deep down, he cares about his loved ones and wants to make their Christmas special.

Francesca Simon's writing is as sharp and witty as ever, capturing the chaotic and hilarious world of Horrid Henry with great charm. The characters are relatable and lovable, and the plot is full of unexpected twists and turns that will keep young readers engaged from beginning to end.

Whether you're a longtime fan of Horrid Henry or new to his adventures, Horrid Henry Christmas is a must-read for anyone who loves a good laugh. It's the perfect book to curl up with on a cold winter's night and immerse yourself in a world of festive fun and holiday hijinks.
