What You'll Need

To embark on this knitting adventure, you'll need a few essential materials:

* Worsted-weight yarn in the color of your choice (approximately 150-200 yards) * Size 8 (5mm) circular knitting needles (16-24 inches in length) * Darning needle * Scissors * Cable needle (optional, but recommended for easier cable work)

Skill Level

Whether you're a seasoned pro or a complete novice, the detailed instructions and clear illustrations will guide you through each step with ease. Basic knitting techniques such as knit stitch, purl stitch, and increasing and decreasing are all you need to master to create this charming hat.

Step-by-Step Instructions

Casting On: Begin by casting on 96 stitches using your circular needles.

Ribbing: Knit 2, purl 2 for 2 inches to create a snug and stretchy brim.

Cable Pattern: Follow the chart provided in the pattern to create the intricate cable design. The pattern consists of a series of knit, purl, and cable stitches.

Decreasing the Crown: Once the desired length is reached, begin decreasing the stitches at the crown to shape the hat. This is done by knitting two stitches together at regular intervals.

Binding Off: When only a few stitches remain, use a darning needle to bind off the hat, securing the last stitches and completing the project.
