Summary

Lizard of Oz is the tenth book in the Goosebumps Most Wanted series. It was written by R.L. Stine and published in 1998. The book tells the story of a group of friends who travel to Oz and encounter a lizard-like creature that terrorizes them.

The story begins when Matt, Amy, and Jessica are invited to spend the summer with their great-aunt in Oz. Their aunt is a kind and gentle woman who lives in a small cottage in the Munchkin Forest. Matt, Amy, and Jessica are excited to explore Oz and meet all of the wonderful creatures that live there.

However, their excitement soon turns to fear when they encounter the Lizard of Oz. The Lizard is a large, scaly creature with sharp claws and teeth. It is incredibly strong and fast, and it is determined to hunt down and kill Matt, Amy, and Jessica.

The friends must use all of their wits and courage to survive the Lizard's attacks. They must also learn to trust each other and work together if they want to defeat the Lizard and escape from Oz.
