In this book, I share my memories of a lifetime on the golf course. From my early days as a caddie at a local country club to my years as the caddie master at Augusta National Golf Club, I have seen it all. I have caddied for some of the greatest players in the game, including Jack Nicklaus, Arnold Palmer, and Tiger Woods. I have witnessed some of the most dramatic moments in golf history, including the "Miracle at Medinah" and the "Shot Heard 'Round the World."

But more than anything, this book is about the people I have met along the way. The caddies, the players, the members, and the fans who have made my life in golf so special. I share their stories, their triumphs, and their heartbreaks. I hope that you will find them as inspiring and entertaining as I do.

So sit back, relax, and enjoy this unforgettable memoir of a lifetime on the golf course.
