First published in 1851, "Tenting on the Plains" is a vivid and immersive account of Parkman's travels through the Great Plains and the Rocky Mountains in the 1840s. Accompanied by a small band of fur traders and Native American guides, Parkman encountered a breathtaking landscape teeming with wildlife, hostile tribes, and the echoes of a vanishing way of life.

This annotated edition, meticulously edited by renowned historian John Mack Faragher, brings Parkman's extraordinary narrative to life with:

- **Stunning illustrations**, including Parkman's own sketches and historical photographs, capturing the beauty and grandeur of the frontier.
- **Detailed annotations**, providing essential context, historical background, and insights into the Indigenous cultures and the complex relationships between settlers and Native Americans.
- A **captivating** by Faragher, setting the stage for Parkman's adventure and exploring the enduring legacy of his work.

Through Parkman's keen observations and evocative prose, you'll witness firsthand the challenges, triumphs, and profound encounters that shaped the destiny of the American West.

Step into the Frontier with Francis Parkman

Francis Parkman, a brilliant historian and literary pioneer, was captivated by the untamed spirit of the American frontier. Driven by an unyielding curiosity and a desire to preserve its vanishing traditions, he ventured into the heart of a rapidly changing landscape.

"Tenting on the Plains" is not merely a historical record but a timeless work of literature that captures the essence of the frontier experience. Parkman's vivid descriptions of the vast prairies, towering mountains, and encounters with Indigenous tribes paint a breathtaking picture of a world on the cusp of transformation.

Uncover the Hidden Stories

The annotations in this edition provide an invaluable lens through which to explore the complexities of the American frontier. Faragher's expertise in

Western history brings to light:

- The diverse perspectives and experiences of Indigenous peoples, whose lives and cultures were profoundly impacted by the arrival of settlers.
- The often-fraught relationships between Native American tribes and the United States government.
- The environmental challenges and triumphs of living on the frontier, including battles with disease, extreme weather, and wildlife.

These annotations enrich your understanding of Parkman's narrative, revealing the hidden layers of history that shaped the American West.

A Literary Classic for the Ages

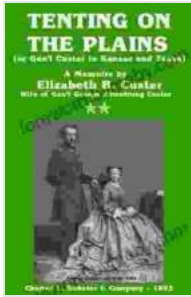

"Tenting on the Plains Annotated" is more than just a book; it's a portal to a bygone era that continues to resonate with readers today. Parkman's timeless prose and Faragher's insightful annotations make this edition an indispensable resource for students of history, literature, and the American frontier.

Immerse yourself in the adventures of Francis Parkman and explore the untamed spirit of the American West. "Tenting on the Plains Annotated" will leave an enduring mark on your understanding of this pivotal era in our nation's history.
