By Levison Wood

In 2014, Levison Wood embarked on an extraordinary journey: to walk the entire length of the Nile River, from its source in Rwanda to its mouth in Egypt. This would be a distance of over 4,000 miles, through some of the most challenging and dangerous terrain on Earth.

Wood's journey is chronicled in his book, ****Walk the Nile****, which is a gripping account of adventure, exploration, and cultural immersion. Along the way, Wood encounters a cast of unforgettable characters, from nomadic herders to Sufi mystics, and learns about the rich history and culture of the Nile Valley.

****Walk the Nile**** is an inspiring and thought-provoking book that will appeal to anyone with a passion for adventure, travel, or history. It is a story of courage, determination, and the power of the human spirit.
